

WINTER STRATEGY 2018 *is approaching*

PRACTICE ENROLMENTS WILL OPEN ON 5 MARCH

Plus, You're Invited To An Orientation & Preparation Evening

REGISTER FOR YOUR LOCAL EVENT TODAY!

Winter Strategy in 2018 will aim to support people with long-term conditions to stay as well as possible, manage their conditions better and stay safely at home through winter 2018.

For more information please contact Bernadette Carter on 6618 5400 or email winter@ncphn.org.au

The evening includes dinner and orientation to program stages, milestones and reporting, as well as the resources we will have available to do this work.

If you are thinking about, or intending to join, the Winter Strategy in 2018 then you should attend. It's a great opportunity to hear about Winter 2018 firsthand and see how your practice could be involved in this exciting, proactive and practical program.
