

Tuesday 27th March 2018

Hastings Macleay General Practitioners

Bipolar Disorder Update

Followed by an open Q&A Forum for GPs regarding Hastings Macleay Mental Health Services - how can we improve together?

Presented by Dr Neil Jeyasingam
Acting Clinical Director for Hastings-Macleay Mental Health Services

At the end of the session participants will be able to:

- Understand the historical background to bipolar disorder diagnosis and management
- Describe Bipolar Disorder types 1 – 5
- Overview of commonly used mood stabilisers, pharmacokinetics/pharmacodynamics
- Develop an approach for difficult areas: overlap with Borderline Personality, Bipolar Depression Management, Delirium, Schizophrenia
- Appreciate augmentation strategies, psychosocial Interventions
