Leadership in Health Management

Four-day intensive short course held over two, two-day blocks. Course designed and delivered by experts in health management.

Overview

In the contemporary health system, managers provide organisational leadership to ensure services continue to evolve to meet diverse community needs across different sectors. Effective leadership requires cutting edge knowledge and skills to address these challenges.

QUT's Leadership in Health Management short course provides you with the knowledge and opportunity to meet the complex and changing environment of health care delivery.

The course will include the following elements:

- corporate and clinical governance
- continuous quality improvement
- organisational performance, financial performance and evaluation
- media and communications
- strategic policy, planning and evaluation
- community and staff engagement
- leadership and team building
- change management

Course delivery

- Block 1: Effective leadership by individuals and organisations
Thursday 2 – Friday 3 August 2018
- Block 2: Resolving conflict, building workplaces
Monday 13 – Tuesday 14 August 2018
- Delivered at QUT Kelvin Grove campus
- Recognition of participation
- Option to undertake assessment for advanced standing in PUN632 in some postgraduate award courses

Cost

\$2100.09 for the workshop module only, or \$2625.12 for participants who enrol in both the workshop and the

assessment modules. Australasian College of Health Service Management (ACHSM) members receive a 15% discount on registration fees for this short course. For information regarding ACHSM see www.achsm.org.au
