

Advanced Training in Suicide Prevention

Multidisciplinary Workshop

Duration

6 Hours (plus morning tea, lunch & afternoon tea)

Program Outline

Our new workshop aims to increase health professionals' skill and confidence in taking a detailed suicide history and developing a collaborative management plan to increase the safety of people planning suicide. The workshop provides practical tools for health professionals managing the full spectrum of suicide risk presentations including the acute suicidal crisis, care after a suicide attempt and assisting families experiencing suicide bereavement.

Accreditation

- 40 RACGP QI&CPD Category 1 Points
- 30 ACCRM PRPD
- Mental Health CPD (GPMHSC)
- 6 Hours CPD (psychologists)

Prerequisites

Completion of predisposing activity

Topics Covered

1. Suicide and Stigma
2. The Suicidal Crisis
3. Acute Management
4. After the attempt
5. Bereaved by Suicide

Learning Objectives
