Promoting Participation in the National Cervical Screening Program to Aboriginal and/or Torres Strait Islander Women

The Promoting Participation in the National Cervical Screening Program to Aboriginal and/or Torres Strait Islander Women course aims to educate healthcare providers on the changes to the National Cervical Screening Program and promoting the benefits of regular cervical screening to Aboriginal and/or Torres Strait Islander women.

The course delivery includes a half-day face-to-face workshop and an online assessment.

Who can come along:

- Aboriginal and/or Torres Strait Islander Health Workers and Practitioners
- Aboriginal and/or Torres Strait Islander community leaders
- Healthcare providers, including non-clinical support staff
- Anyone working with Aboriginal and/or Torres Strait Islander Women to support the benefits of regular cervical screening.

Places are
limited.
