Have you been tested for COVID-19 yet? **It's free** and you can be tested at a **NSW Health COVID-19 Clinic** in this region. Travellers staying in backpackers and youth hostels are **urged to get tested.**

STOP CORONAVIRUS
STOP CORONAVIRUS

Get tested even if you only have mild symptoms: Fever, cough, headache, runny nose, or shortness of breath. Isolate yourself if you have any symptoms.

FREE tests for Medicare and non-Medicare holders. Medicare holders are entitled to a free GP telehealth session and private pathology centre test.
