

**Have you
been tested
for COVID-19
yet? It's free
and you can be
tested at a **NSW Health
COVID-19 Clinic** in
this region. Travellers
staying in backpackers
and youth hostels are
urged to get tested.**

**Get tested even if you
only have mild symptoms:**

Fever, cough, headache,
runny nose, or shortness
of breath. Isolate yourself
if you have any symptoms.

**FREE tests for Medicare
and non-Medicare holders.**

Medicare holders are entitled to
a free GP telehealth session and
private pathology centre test.
