

Mid North Coast Nurse Network Meeting

WEBINAR **Complex Wound Management in Primary Care**

Wound Awareness Week is 17-23 August – the perfect time for a virtual visit to a primary care wound clinic.

Bron McCrae

Cheryl Frank

Dr Stephen Yelland

Ann Fowler

Dr Mark Jackson

What to expect

- Insight into a specialised wound clinic.
- An update on complex pressure injury treatment modalities.
- An outline of recommended funding for wound care items.

Learning outcomes

By attending this webinar, you will gain a deeper understanding of:

- Assessing and managing complex wounds and comorbidities.
- Management of venous ulcers and use of compression therapy.
- Partnering with patients and multidisciplinary teams to achieve wound healing.
- The HealthPathways website — local supports and contemporary practice in wound care.
- Wound management MBS item numbers.

Who should attend?

GPs and Registered Nurses working in primary care, community and aged care settings.

Wednesday 19 August 2020
