

WEBINAR

Management of Chronic Pain in the Mid North Coast

To ensure safe prescribing habits, this online webinar will explore the changes in legislation on S8 prescribing. It will provide clarity on requirements in the drug-dependent patient, help to ensure prescribers are compliant with both state and federal requirements, and will look beyond opioid prescribing in these patients.

Brent Skimmings

Dr Shaun Clarke

Dr Andy Williams

Tuesday 1 December 2020
7pm – 8:30pm

What to expect

- Opioids and the bigger picture when treating chronic pain
- NSW regulations around opioid prescribing in the community
- Pain management beyond opioids

Learning outcomes

By attending this clinical society meeting, you will be able to:

- Identify patients at risk of opioid dependency
- Prescribe both safely and legally
- Know the other non-pharmacological options for their patients within the region

Who should attend?

- Opioid prescribers in the Mid North Coast region
- Dispensers of opioids
- Allied health professionals involved in chronic pain management
