

Northern NSW Respiratory Clinics

Free COVID-19 testing is available at GP Respiratory Clinics and Hospital Fever Clinics in Northern NSW. Anyone with mild to moderate respiratory symptoms should attend a clinic for testing. Symptoms may include: fever, cough, sore throat, headache, shortness of breath or fatigue.

Following testing, you must self-isolate until you receive your results.

People with severe symptoms, such as breathing difficulty, should go to the nearest emergency department or call 000.

GP Respiratory Clinics

You do not need a referral to attend these clinics. However, you must book an appointment.
