

A Coffs Harbour & Bellingen Clinical Society event

Dinner, networking and education

It's not all Zoom and gloom. We are back for face-to-face learning! Join us for dinner and hear from a vascular surgeon about the local services and facilities available for managing arterial and venous disorders in Coffs Harbour and surrounding regions. Explore the challenging structure for management of wound care in the community, discuss CPD needs and play a part in the development of our 2022 education calendar.

What to expect

This end-of-year get-together is a chance to network with other local clinicians and have some fun as the year comes to a close. We'll hear from Dr Eileen Morrisroe, a vascular surgeon who's recently made Coffs Harbour her home, about ways to support patients with minimally invasive treatments.

We'll also discuss the North Coast CPD needs assessment and Healthy North Coast's draft CPD events calendar – a chance to have your say on what you'd like to learn next year.

Agenda

6pm	Arrival, networking and canapes
6:30	Presentation: Services and Facilities for Managing Arterial and Venous Disorders in Coffs Harbour
7:00	Main meal served
7:30	Presentation: Healthy North Coast 2022 education
7:50	Dessert served
8:30	Close

Who should attend?

GPs, GP registrars, allied health, practice nurses and staff, service coordinators and any primary care professionals who are managing arterial and venous disorders, interested in education or getting to know other local clinicians.

COVID SAFETY

Healthy North Coast takes its obligations for your safety seriously. We advise that the venue where the event is to be held is COVID safe and that a COVID safety plan has been developed and registered with the NSW Government. Numbers will be restricted, so reserve your place early. If you are sick or experiencing the mildest of symptoms, please do not attend. All attendees must comply with the NSW Government order (effective 11 October 2021) stating that no unvaccinated person (over the age of 16) is allowed into hospitality premises.

In the event the clinical society dinner is cancelled, we will hold a shorter online experience and all those in attendance will receive a free gift.
