

A Clarence Valley Clinical Society event

Dinner, networking and education

It's not all Zoom and gloom. We are back for face-to-face learning! Join us for dinner and hear from the Child and Family Wellbeing Hub in Grafton about ways to support local families during a child's first 5 years of life. Connect with local clinicians, discuss CPD needs and play a part in the development of our 2022 education calendar.

What to expect

This end-of-year get-together is a chance to network with other local clinicians and have some fun as the year comes to a close. We'll hear from Leonie Staples, Project Manager First 2000 Days and Dr James Hodges, a local paediatrician, about services the Child and Family Wellbeing Hub offers.

We'll also discuss the North Coast CPD needs assessment and Healthy North Coast's draft CPD events calendar – a chance to have your say on what you'd like to learn next year.

COVID SAFETY

Healthy North Coast takes its obligations for your safety seriously. We advise that the venue where the event is to be held is COVID safe and that a COVID safety plan has been developed and registered with the NSW Government. Numbers will be restricted, so reserve your place early. If you are sick or experiencing the mildest of symptoms, please do not attend. All attendees must comply with the NSW Government order (effective 11 October 2021) stating that no unvaccinated person (over the age of 16) is allowed into hospitality premises.

In the event the clinical society dinner is cancelled, we will hold a shorter online experience and all those in attendance will receive a free gift.
