

A Lismore, Casino & Kyogle Clinical Society event

Dinner, networking and education

It's not all Zoom and gloom. We are back for face-to-face learning! Join us for dinner and an introduction to palliative care, and confirm the role of the GP, palliative care nurse practitioner and specialist palliative care team. Connect with local clinicians, discuss CPD needs and play a part in the development of Healthy North Coast's 2022 education calendar.

What to expect

This end-of-year get-together is a chance to network with other local clinicians and have some fun as the year comes to a close. We'll hear from the Richmond Specialist Palliative Care Service, who will provide an introduction to the service, what palliative care is, and ways you can improve quality of life for both the patient and their family. We'll also hear from Dr Brian Witt about the role of a GP in caring for a patient with a life limiting illness.

We'll also discuss the North Coast CPD needs assessment and Healthy North Coast's draft CPD events calendar – a chance to have your say on what you'd like to learn next year.

Agenda

6pm	Arrival, networking and canapes
6:30	Presentation: An introduction to palliative care and the Richmond Specialist Palliative Care Service
7:00	Main meal served
7:30	Presentation: Healthy North Coast 2022 education

COVID SAFETY

Healthy North Coast takes its obligations for your safety seriously. We advise that the venue where the event is to be held is COVID safe and that a COVID safety plan has been developed and registered with the NSW Government. Numbers will be restricted, so reserve your place early. If you are sick or experiencing the mildest of symptoms, please do not attend. All attendees must comply with the NSW Government order (effective 11 October 2021) stating that no unvaccinated person (over the age of 16) is allowed into hospitality premises.

In the event the clinical society dinner is cancelled, we will hold a shorter online experience and all those in attendance will receive a free gift.
