

A Port Macquarie & Hastings Clinical Society event

Dinner, networking and education

It's not all Zoom and gloom. We are back for face-to-face learning! Join us for dinner and hear from local clinicians about ways to manage chronic pain. Connect with local clinicians, discuss CPD needs and play a part in the development of our 2022 education calendar.

What to expect

This end-of-year get-together is a chance to network with other local clinicians and have some fun as the year comes to a close. We'll hear from physiotherapists Nathan Lynch and Barry Spencer, and retired psychologist Gary Grant, about ways to collaborate more efficiently when managing long-term chronic pain.

We'll also discuss the North Coast CPD needs assessment and Healthy North Coast's draft CPD events calendar – a chance to have your say on what you'd like to learn next year.

Agenda

- 6pm Arrival, networking and canapes
- 6:30 Presentation: Collaborative management for long-term chronic pain
- 7:00 Main meal served
- 7:30 Presentation: Healthy North Coast 2022 education
- 7:50 Dessert served
- 8:30 Close

Who should attend?

GPs, GP registrars, allied health, practice nurses and staff, service coordinators and any primary care professionals with an interest in chronic pain management, education or getting to know other local clinicians.

COVID SAFETY

Healthy North Coast takes its obligations for your safety seriously. We advise that the venue where the event is to be held is COVID safe and that a COVID safety plan has been developed and registered with the NSW Government. Numbers will be restricted, so reserve your place early. If you are sick or experiencing the mildest of symptoms, please do not attend. All attendees must comply with the NSW Government order (effective 11 October 2021) stating that no unvaccinated person (over the age of 16) is allowed into hospitality premises.

In the event the clinical society dinner is cancelled, we will hold a shorter online experience and all those in attendance will receive a free gift.
