

Free Telehealth Service

Can't access your normal GP?

The Healthy North Coast GP Telehealth service is available to support our local communities.

Book a telehealth appointment any time of the day, seven days a week. Get the health care you need, in your own time, via phone or video.

Healthy North Coast GP Telehealth can provide:

- Vaccine advice
- Information, advice, diagnosis and treatment
- Electronic prescriptions sent to your local pharmacy
- Medical certificates
- Specialist referrals
- Care summaries provided to patients, regular GP and My Health Record
