

North Coast HEALTH CONNECT

North Coast Health Connect is continuing to onboard new general practice and pharmacy partners to support primary care access on the North Coast.

This map is current as of 18 April 2023 and is subject to change. The latest map can be viewed and downloaded at hnc.org.au/nchc-map

-  Local general practice appointments available
-  Local pharmacy appointments available

- Launched December 2022
- Launched February 2023
- Launched April 2023
- Launching May 2023

North Coast Health Connect has been co-designed with the North Coast community, is delivered by Amplar Health and supported by the Pharmaceutical Society of Australia. The service is funded by Healthy North Coast through the PHN program and is available to people in eligible postcodes. Visit northcoasthealthconnect.org.au
