WOUND CARE MASTERCLASS

WITH HAYLEY RYAN

BRISBANE | 28.06.23

GOLD COAST | 29.06.23

Join Team Medical and WoundRescue for a full-day Wound Care Masterclass with Presenter Hayley Ryan.

7
CPD HOURS

Foundation of Wound Care

- Assessment & diagnosis of wounds
- Deep dive into dressing selection
- Management of infections
- Case studies and practical sessions

“ The day went very quick; informative and engaging! I have been to too many wound educations needing toothpicks to keep my eyes open!! This class was perfect. ”

More about our world-class Presenter, Hayley Ryan

RN, MBA, PGCertWMM, AICGG, Cert IV TAA, PhD Candidate, Wound CNC

Hayley has 20 years of experience in nursing. Hayley has a passion for healing wounds as a Clinical Nurse Consultant across Australia and New Zealand in private practice with her own company WoundRescue. Hayley is also chair of the board for Wounds Australia.

Hayley has presented at national and international conferences and has a proven track record of providing advanced wound care and aged care education full of interaction and fun. Hayley also lectures at universities and has been appointed as an adjunct fellow at the University of Technology Sydney.
