

# North Coast HEALTH CONNECT

This map is current as of 11 May 2023 and is subject to change. The latest map can be viewed and downloaded at [hnc.org.au/nchc-map](https://hnc.org.au/nchc-map)

North Coast Health Connect is continuing to onboard new general practice and pharmacy partners to support primary care access on the North Coast.

-  Local general practice appointments available
-  Local pharmacy appointments available

North Coast Health Connect has been co-designed with the North Coast community, is delivered by Amplar Health and supported by the Pharmaceutical Society of Australia. The service is funded by Healthy North Coast through the PHN program and is available to people in eligible postcodes. Visit [northcoasthealthconnect.org.au](https://northcoasthealthconnect.org.au)
