

Do you provide care for residents
in a residential aged care home?

Have your say on your education!

This 5 minute survey is for you

Use the QR Code via your phone camera to take you to this online survey.

Hurry! The survey closes on 24th Dec 2024

If you are a nurse or personal carer working in residential aged care, we'd like to take 5 minutes of your time to better understand:

1. What type of education do you prefer?
2. What makes it easier or harder for your to take part in education programs?
3. What are your top learning priorities?

Your involvement is voluntary and anonymous, your help is appreciated. It will help us plan and deliver learning that works best for your needs, and supports you to do your work. A summary of the results will be shared with your residential aged care home. No personal information is collected or shared.
