Comprehensive telehealth training

increasing care standards for your residents

A free National telehealth training program aimed to deliver consistent training nationally for anyone who provides telehealth in residential aged care settings, with separate streams for RACH staff and clinicians, there is a pathway for everyone.

The training is made up of a series of short (6 minute) modules to fit around your busy schedule. CPD points can be claimed upon completion of the training, supporting both the organisation and individual professional development plans.

The training program is endorsed by Australian College of Nursing, Royal Australian College of General Practitioners and the Australian College of Rural and Remote Medicine.

Steps:

- 1** Go to accelerateqi.au/hnc and create your own account
- 2** Choose the relevant stream according to your role; RACH staff or clinician
- 3** Choose your learning pathway; getting started, advanced skills, or Management
- 4** Complete your training and claim your CPD points

To access the training, go to accelerateqi.au/hnc or scan the QR code. It's available anytime, anywhere, and it's FREE!

If you have any questions or need support, please reach out to digitalhealth@hnc.org.au.
