

Welcome

**PACOP supports delivery
of best practice palliative
and end of life care.**

PALLIATIVE & END OF LIFE CARE

WE OFFER

CLINICAL CARE FRAMEWORK *Supporting standards 1, 2, 3, 4, 5, 6, & 7.*

The PACOP clinical assessment and response framework guides delivery of evidence-based palliative and end of life care. Informing routine care planning, advance care planning and improving communication for residents, their families, staff, GPs & specialist palliative care.

QUALITY & COMPLIANCE *Supporting standards 1, 2, 3, 4, 5, 6, & 7.*

PACOP reports inform ongoing quality improvement plans, evidencing outcomes of delivered care. Mentoring and participation national benchmarking demonstrates continuous improvement.

WORKFORCE EDUCATION *Supporting standards 1, 2, 3, 4, 5, 6, & 7.*

Blended learning provides accessible options including in person, virtual, and online self-directed learning options. Building foundational palliative care knowledge and clinical skills in your teams.
