

Multiple services added to eReferrals

From 7AM on 7/8/2025, eReferrals will be available for multiple LHD services:

- New Tweed General Medicine Service
- New Tweed ENT Clinic (4-14 years of age only)
- New Tweed Specialist Renal Clinic
- Existing Grafton Obstetric and Gynaecology clinics

The Orthopaedic, KAHAS and Fracture Clinic services have now been consolidated under a new "Orthopaedics" grouping. The new Tweed ENT clinic (4-14 years of age only) and Lismore general ENT clinic are grouped under "Ear, Nose and Throat".

Please note: the CKD and RSC nephrology services are nurse practitioner/nurse led and are not for referrals to the public nephrologist service - please check HealthPathways for details on how to refer to the public nephrologists. Initially indicated, CKD and RSC referrals will be on-referred internally to a public nephrologist.

For more information on the project, please contact:
