Our practice is joining the new Healthy Ageing Program - building nurse-led care to support healthy ageing, improving access to early intervention and palliative care.

You'll get access to nurse-focused HealthPathways, Primary Care Impact pages to strengthen your skills, improve patient outcomes, and join a collaborative network shaping the future of care in our region.

We want all our nurses to sign up and participate!

LEARNING & RESOURCES

- Embed and use HealthPathways designed to support our nurses
- New Primary Care Impact pages

SUPPORT & COLLABORATION
