

# Our Patients Together

## Navigating Tweed Valley Hospital

Join us for an evening of collaboration and clinical updates at Tweed Valley Hospital.

This session provides the latest updates from hospital specialist teams for general practitioners and primary care clinicians.

## Hear from:

Mental Health

Alcohol and Other Drugs

Our presenters will share how their teams are supporting local patients and families, and how we can collaborate for more connected care.

## Come along to:

Stay up to date with hospital services

Strengthen referral pathways

Build relationships with your local hospital teams

**Light dinner and refreshments will be served**, and there'll be plenty of time to connect with colleagues and ask questions.

**Where:** Learning, Development & Research Room  
Tweed Valley Hospital  
771 Cudgen Road, Cudgen

**When:** Wednesday 17 June 2026  
5:30pm – 8:00pm
