

Our Patients Together

Navigating Lismore Base Hospital

This is the second in a series of sessions providing practical updates from hospital specialist teams for general practitioners and primary care professionals.

At this session, hear from:

- Obstetrics and Gynaecology
- Paediatrics

This session will provide updates from local Paediatrics and Obstetrics & Gynaecology teams, with opportunities to engage directly with specialist staff around referral pathways, service access, and caring for local patients and families.

Register early —
spaces are limited.

Come along to:

- Discover new projects starting in 2026
- Stay up to date with hospital services
- Explore referral pathways and service access
- Build connections across hospital and primary care teams

A light dinner and refreshments will be served, and there'll be plenty of time to connect with colleagues and ask questions.

Who should attend:

- General Practitioners
- Aboriginal Health Practitioners
- Practice Nurses
- Practice Managers
- Allied Health Professionals

CPD Information: A certificate of attendance will be provided for self-reporting 2 hours of CPD education.
